

SPANISH WITH JUDITH - COURSE DESCRIPTION

SPANISH FOR BEGINNERS

Learn how to introduce yourself, talk about your family and friends, greet people, describe people and what they wear, talk about your daily routine, to talk about your hobbies and interests, ask for directions, shop, talk about your future plans and talk about your feelings. You will learn how to ask and answer basic questions about personal details and use familiar everyday expressions.

INTERMEDIATE SPANISH

At this level you probably have a good vocabulary, know a lot of useful expressions and have a good grasp of grammar. If you need to reinforce what you know and your goal is to keep learning in order to be fluent in Spanish this course is for you. We will review your grammar, vocabulary and pronunciation. We will work on your speaking, reading, writing and listening, focusing on the areas where you feel less confident.

SPANISH FOR ADVANCED

You are almost bilingual but not quite. You are able to have a conversation with a Spanish speaker, using a rich vocabulary and complex grammatical structures. You can read and understand articles from newspapers and magazines in Spanish. You can watch and understand movies and documentaries in Spanish without the need for subtitles. This course will be entirely in Spanish.

SPANISH FOR BUSINESS

This course is only suitable for students who already speak and understand Spanish at an intermediate or advanced level. You will learn how to write business correspondence, how to make business phone calls, etc. We will practice spoken situations. We will work with letters, faxes and document models. We will study a glossary of the most useful business terms.

SPANISH FOR TRAVELERS

If you are traveling to Latin America or Spain and you want to communicate effectively with locals, then this course is for you. You will learn greetings, phrases, vocabulary and dialogues used in most common situations. Feel confident when introducing yourself, asking for directions, arranging to meet, taking a taxi, shopping, booking a hotel or ordering at a restaurant.

CONVERSATIONAL SPANISH

This course is for advanced students and focuses on conversational Spanish. We will choose the conversation topics together to make each class interesting and appealing to your interest, hobbies and needs. Grammar won't be excluded if you need an explanation from time to time, but we will mostly converse entirely in Spanish about different subjects in each class. Books, magazines, movies, newspapers are welcome in order to support our classes. Your input is very important in shaping these classes. Feel free to suggest anything that can help us to make this your class.

CUSTOMIZED LESSONS

If the previous courses don't satisfy your needs, together we will shape a lesson plan that will take you where you want to go to achieve your goals. Are you a nurse, a doctor, an attorney, a paralegal? We will tailor your lessons together focusing on your needs and specific vocabulary.

ACADEMIC SUPPORT

K-12 and College Tutoring

Spanish Tutoring at Elementary, Middle School, High School and College level. You will be tutored in the comfort of your home. My goal will be to motivate your child to help him or her to succeed. I will assist with homework, tests, quizzes, exams, projects, presentations or any other assignment. I have been tutoring for more than 17 years and I am confident about my skills.
